

CANVA ACCOUNT

NOTE:

PLEASE, READ IT BEFORE USING CANVA, BECAUSE IT TOOK A LOT OF TIME TO RE-ORGANISE IT

Sponsored by someone's nerves

CANVA is a graphic design platform, used to create social media graphics, presentations, posters, documents and other visual content.

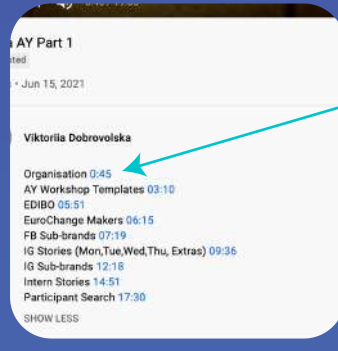

AY CANVA includes all templates that are used in AY organisation.

WAY TO USE

1. There are 2 Youtube videos that explain the whole organisation of the AY Canva account: how to use and create templates.

2. The Youtube link will be shared with all people in AY on PH Premium Tools.
3. Each video has a time line in the description box. **READ THE DESCRIPTION FIRST!**

just press on the time that you need

4. Do not forget about Playback Speed.

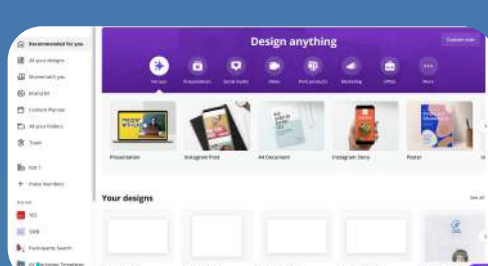

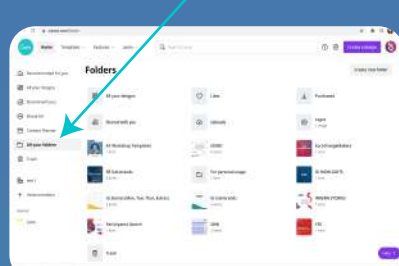

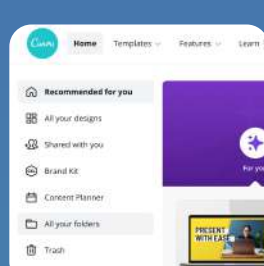

or you will waste your time on my 'Sooo,eeemmmm...'

You got it! 😊

IMPORTANT SUMMARY

1. All templates are placed in folders.

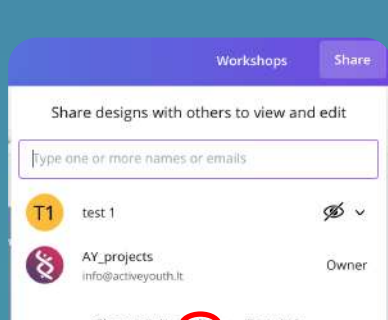

Plus, all templates stored and placed on the left side of Canva Page

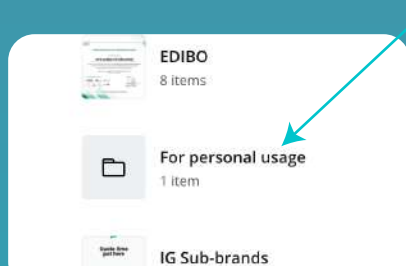

2. Before using a template, copy it, work inside the copy, download files, delete.

So, you will not change the original template. Everything is explained and shown in the video. Plus, you can always make a copy of the template to your own sub-folder in Personal Usage folder.

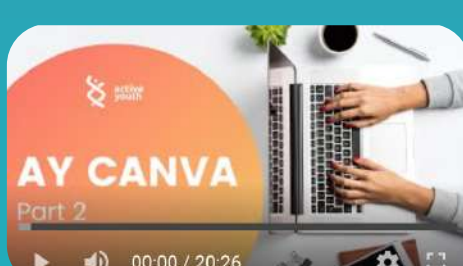

3. If you want someone to edit your design, share with EDIT extension.

4. There is a folder for your Personal Usage.
