

SCALE UP

Scaling-up Skills for Strengthening Inclusion and Youth Employability.

ABOUT THE PROJECT

SCALE-UP aims to deepen and increase the **acquisition of new skills in young jobseekers**, providing them with new **opportunities** to position themselves in the labour market.

MAIN PRIORITIES

- 1 Strengthening the employability of young people
- 2 Increase the quality, innovation and recognition of youth work

TARGET

Unemployed and/or low-skilled young people in precarious jobs

ACTIVITIES

MARKET STUDY

SKILL ASSESSMENT

SCALE-UP ONLINE

FINAL MEETING EVENT

SCALE-UP INTENDS TO:

- *Intercept the requirements of the labour market and the needs of young jobseekers;*
- *Offer tools to assess the real potential of young people through the CAMMIO VB platform that provides an analysis of their real skills and talents;*
- *Offer personalised blended and online training to young jobseekers to increase the quality of their application and improve their employability.*

KICK-OFF MEETING

On the 24th of February, the kick-off online meeting occurred. During the first meeting, partners got to know each other. They deeply discussed project objectives, targets, results, and management and defined the next crucial steps for the project.
